

# ALL OF LIFE

## **DISCUSSION GUIDE**

*An initial introduction to  
discipleship in the everyday  
stuff of life.*

*Developed by Matt Schubert of Rockingham Mandurah Lutheran Church,  
drawing on ideas and videos from Saturate & Jeff Vanderstelt.*

## CATCHING UP

You might like to catch up with one another by sharing your **highs and lows**; the best bit and the worst bit from your past week or so.

## DWELLING IN THE WORD

We're going to begin this time listening to God's word *together*. Have one person read **Deuteronomy 6:1-9** aloud (and very slowly). It's a good idea to read this passage twice and to ask for the Holy Spirit's guidance and help before doing so.

In Deuteronomy 6, God gives instructions to Israel about the new lifestyle they are to adopt after entering the promised land.

During and after the passage is read, write down in the space below:

**1) Something which stands out to you as important or interesting**

**2) Something you have a question about**

*Without interrupting* one another, share what you noticed with the rest of the group or split up in pairs and share with your partner. The point here is to listen to one another, not to answer and correct one another.
